Erasmus+

Co-funded by the
European Union

SUMMARY

This training course is part of an Erasmus + KA1 project Raising young changemakers.

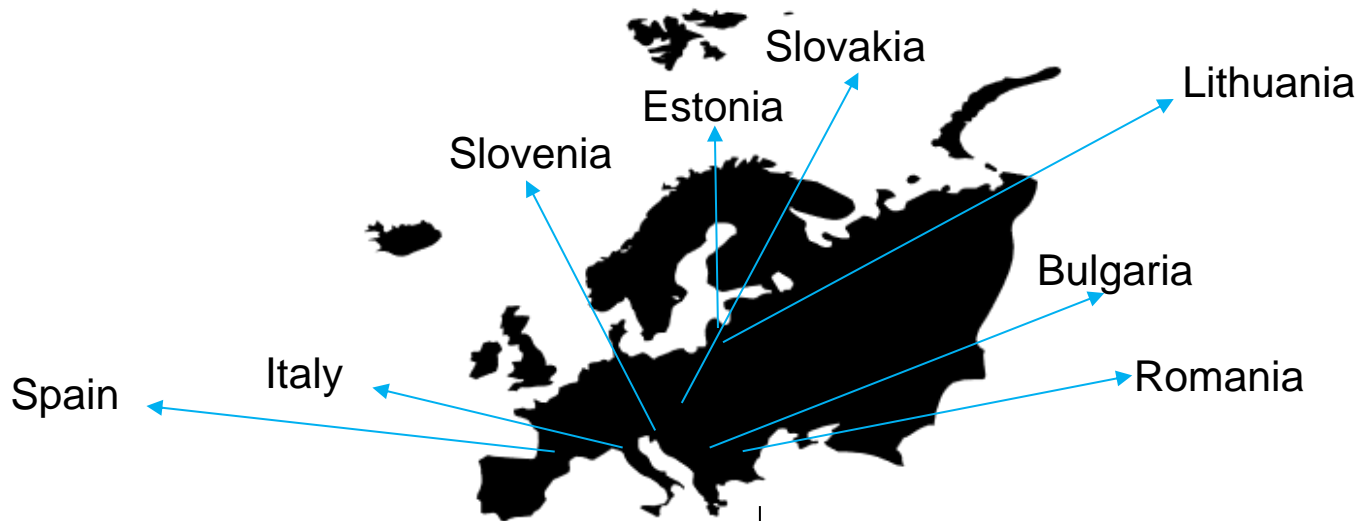

„Raising young changemakers “ is a project that tackles youth unemployment and supports the professional development of youth workers and thereby the development of quality youth work..

Training will take place from 4 November until 13 November in Postojna, Slovenia.

PARTICIPANTS

This project will connect 25 participants from:

Motivated and smiling participants in good mood.

3 participants per country. There is no age limit for participants.

ORGANIZER

1

Podjetniška akademija is an association whose main goal is supporting young generation of future entrepreneurs.

2

Every year we organize a Youth entrepreneur camp for all Slovenian teens.

3

We also cooperate with Schools where we organize various entrepreneurial content and activities.

4

We regularly cooperate with different successful companies, who support us with their knowledge and experience which we then pass on to young people in our activities.

PROJECT DESCRIPTION

1

„Raising young changemakers “ is a project on the topic of youth unemployment and supports the professional development of youth workers and thereby the development of quality youth work.

2

We want to help participants to develop their professional competences and become more productive, creative and updated in their youth work.

3

We will encourage participants to exchange knowledge on good practices in youth work connected with promotion of entrepreneurship and digital transition to youth.
